If CJHS participates in your health insurance, we will bill your carrier for any eligible charges that you incur. We will assist you in obtaining authorization for HMO and Managed Care treatments, but **YOU** are responsible for making sure that the appropriate **referrals** are acquired and are **up to date** with the appropriate number of treatments approved.

You are responsible for the payment of any co-insurance amounts, non-covered charges, and denied claims.

If CJHS does not participate in your health insurance, you are responsible for payment of charges **at the time of service**. You are responsible for any balance remaining after ins. payment to our office. If your ins. co. has not paid a claim we submitted for you w/in 60 days, payments are your responsibility.

It is your responsibility to notify your insurance co., & obtain pre-authorization, if any surgery or hospital admission is planned. We will be happy to assist you in determining your likely balance due after expected insurance payment & can help arrange a method of payment. Your health insurance is a contract between you & your insurance co. We cannot accept responsibility for negotiating any type of settlement on a disputed claim if your pre-authorization is not obtained.

I hereby authorize payment from the insurance company to be sent directly to Central Jersey Hand Surgery for any service rendered to me by the group. I also authorize the release of medical information to my insurance company in order for Central Jersey Hand Surgery to complete the necessary ins. forms. I give permission for CJHS to appeal any denials or under payments received from your insurance company.

I am aware that the practice of medicine & surgery is not an exact science and acknowledge that no guarantees will be given to me concerning the results of any treatment or operation. Drs. Pess, Decker, Gabuzda, Atik, Fedorcik, & Gower will attempt to improve the patient, but cannot return the patient to normal status.
